CORPORATE GOVERNANCE STATEMENT

The Board recognises the importance of good corporate governance and establishing the accountability of the Board and management. To the extent relevant and practical, Galileo Mining Limited (the Company) has adopted a corporate governance framework that is consistent with the *Corporate Governance Principles and Recommendations (3rd Edition)* published by ASX Corporate Governance Council ("**Recommendations**").

The Board has adopted the following suite of corporate governance policies which are available on the Company's website at www.galileomining.com.au:

- Board Charter
- Board Performance Evaluation Policy
- Corporate Code of Conduct
- Audit and Risk Management Committee Charter
- Remuneration and Nomination Committee Charter
- Security Trading Policy
- Continuous Disclosure Policy
- Shareholder Communications Strategy
- Diversity Policy

The Board is committed to administering the policies and procedures with openness and integrity, pursuing the true spirit of corporate governance commensurate with the Company's needs.

As the Company's activities develop in size, nature and scope the implementation of additional corporate governance structures will be given further consideration.

Following admission to the official list of ASX, the Company will be required to report any departures from the Recommendations in its annual financial report. As at the date of this Prospectus the Company complies with the Recommendations other than to the extent set out below.

2.	Structure the Board to add value	
2.2	A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.	The Company does not have a skills or diversity matrix in relation to the Board members. The Board considers that such a matrix is not necessary given the current size and scope of the Company's operations. The Board may adopt such a matrix at a later time as the Company's operations grow and evolve.
2.4	A majority of the board of a listed entity should be independent directors.	The Board currently consists of 2 executive directors and 1 non-executive director, of which 1 is considered by the Board to be an independent director. As a small entity, the Company has at this stage decided to select directors with the expertise and experience to support the Company's business strategy rather than strictly adhere strictly with these recommendations. The Company will consider ways of restructuring its Board in the future to ensure that a majority of its members are independent.
4.	Safeguard integrity in financial reporting	
4.1	The board of a listed entity should:	Due to the size of the Board, the Company does not have a separate Audit Committee. The roles and responsibilities of the Audit committee are undertaken by the Board.
	(a) have an audit committee which:	The full Board in its capacity as the Audit committee is responsible for reviewing the integrity of the Company's financial reporting and overseeing the independence of the external Auditors.
