MANAGING DIRECTOR SITE PRESENTATION – FRASER RANGE

Galileo Mining (ASX: GAL, “Galileo” or “the Company”) is pleased to provide investors with an opportunity to view a site presentation by Managing Director Brad Underwood from the Lantern Prospect in Western Australia’s Fraser Range Nickel Belt.

During the video, Mr Underwood discusses:

- Why the Fraser Range is a major focus of activity for the Company;
- The current RC drilling at the key Lantern Prospect; and
- Galileo’s upcoming drilling programs at the Fraser Range

The video is available to watch at
